

## Safety Data Sheet

### Section 1: Company and Product Identification

---

**Product Name:** Sweet Almond Oil, Virgin, Unrefined

**INCI Name:** Prunus Amygdalus Dulcis (Sweet Almond) Oil

**Material Uses:** Active ingredient in cosmetic and personal care applications.

**Restrictions on Use:** Repackaged for cosmetic use only

**Company:**

Company identification:  
La Despensa del Jabón  
San Ignacio Auzunea Etxetaldea, 1  
048200 Durango. España.  
Tel: 944 657 841/ Fax: 941 899 765 [www.ladespensadeljabon.com](http://www.ladespensadeljabon.com)  
[tienda@ladespensadeljabon.com](mailto:tienda@ladespensadeljabon.com)

Teléfono de urgencias:  
Instituto Nacional de Toxicología. Madrid. Tel: 91 562 04 20

### Section 2: Hazards Identification

---

BLANK                      BLANK                      BLANK                      BLANK

**Hazard Pictograms:**

**Signal Word:** Not Applicable

**Hazard Classification:** Not classified as hazardous.

**Hazard Category:** None

**Hazard Statements:** None

**Precautionary Statements:** Not applicable.

**Other Hazards:** None

### Section 3: Composition / Information on Ingredients

---

Sweet Almond Oil - 100%

## Safety Data Sheet

### Section 4: First Aid Measures

---

**Notable Exposure symptoms:** Not expected to be a skin or eye irritant, based on available data. Non-toxic by oral ingestion, based on nature of material but may cause diarrhea. No other adverse clinical effects are known to be associated with exposure to this material.

**If ingested:** Drink water, seek medical attention.

**If inhaled:** Not applicable. Avoid breathing liquid or aerosols of material.

**Eye contact:** Flush with water. Seek medical advice if irritation develops.

**Skin contact:** Wash material off skin with soap and water.

### Section 5: Fire Fighting Measures

---

**General Info:** Product is flammable. Wear self-contained breathing apparatus and protective gear.

**Extinguishing Method /** Foam, Carbon dioxide (CO<sub>2</sub>), dry chemical.

**Equipment:** Must use a blanketing or smothering type of extinguishing matter.  
Do not use water, as the oil is lighter than water.

**Hazardous Decomposition Info:** None known.

### Section 6: Accidental Release Measures

---

**Containment Equipment and Procedures:** Use a solid absorbent and /or wash floors with detergent. May cause slip on floors.

If solidified, shovel into containers marked for disposal.

If spilled on on water, since the density of oil is lower than water, it will appear on the surface and can be scraped off.

**Additional Procedures:** Not applicable.

### Section 7: Handling and Storage

---

**Safe Handling Precautions:** No special precautions are needed under normal use.

**Recommendations for Storage:** If stored outside, tanks should be covered to prevent contaminations with water, dirt, etc.

**Specific End Use(s):** Active ingredient in cosmetic and personal care products.

## Safety Data Sheet

### Section 8: Exposure Control / Personal Protection

---

**Control Parameters:** No exposure limits set.

**General / Engineering Controls:** None required under normal conditions.

**Controls:**

**Eye/face protection:** Goggles recommended.

**Hand Protection:** None required under normal conditions.

**Body Protection:** None required under normal conditions.

**Respiratory Protection:** None required under normal conditions.

**Supply Safety and Health Data:** Not hazardous under dept. of labor designators. Rags or waste containing oil that present a large air-oil interface will oxidize and can ignite spontaneously and should be handled with care. In case of accidental exposure or discharge, consult health and safety file for precautions.

### Section 9: Physical and Chemical Properties

---

**Physical State:** Liquid

**Appearance:** Light golden yellow liquid

**Odor:** Bland, mild, characteristic

**Boiling Point:** Not available

**Flash Point (COC):** Not available

**Vapor Pressure:** Not available

**Percent Volatiles by Volume:** Not available

**Specific Gravity:** 0.90 - 0.92

**Water Solubility:** Not soluble

### Section 10: Stability and Reactivity

---

**Stability:** Product is stable

### Section 11: Toxicological Information

---

**Toxicological Information:** No information available.

### Section 12: Ecological Information

---

**Ecological Information:** No information available.

### Section 13: Disposal Information

---

**Product/Container Disposal:** Comply with all local, state, and federal laws and regulations.

## Safety Data Sheet
