

This safety data sheet complies with the requirements of:
Regulation (EC) No. 1907/2006 and Regulation (EC) No. 1272/2008

Material Safety Data Sheet

1. Essential Company Data

Company:

La Despensa del Jabón SC
Av de Rioja nº1, bj 3
26240 -Castañare de Rioja - España+34 944 657 841
www.ladespesadeljabon.com
tienda@ladespensdeljabon.com
Emergency telephone number:+34 915 620 420 Toxicología Madrid

2. Composition /Information on Ingredients

Product Name : Carnauba Wax

Chemical Composition: Material of vegetable origin structured by fatty acid esters and alcohols of the superior chain.

Classification Name: Carnauba Wax

CAS number : 8015-86-9

EINECS : #2323994

Ingredients contributing to the hazard: None

3. Hazards identification

Hazard components: None

Potential Health effects and symptoms:

Eye : Dust generated only if powder form may cause mechanical irritation.

Skin : May cause skin irritation. Low hazard for usual industrial handling

Ingestion : Ingestion of large amounts may cause gastrointestinal irritation

Chronic : No information found

4. First aid measures

Eyes : Flush eyes affected with plenty of water for at least 15 minutes, occasionally lifting the upper and lower lid. If irritation develops, get medical aid.

Skin : Flush skin with plenty of soap and water for at least, 15 minutes, while removing contaminated clothing and shoes. Get medical aid if irritation develops or even persists.

Ingestion : If victim is conscious and alert, give 2-4 cup full of milk or water. Get medical assistance.

Inhalation : Remove from exposure to fresh air immediately. Get medical aid if cough or other symptoms appear.

Note to Physician: Treat symptomatically and supportively.

5. Fire Fighting Measures:

General Information: As in any fire, wear a self-contained breathing apparatus in pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

Extinguish Media: In case of fire, use water, dry chemical, chemical foam, or alcohol resistant foam.

Autoignition Temperature: Not applicable

Flash Point : 484°F (251.11.C)

Explosion Limits: Lower: None

Upper: None

SAFETY DATA SHEET

This safety data sheet complies with the requirements of:
Regulation (EC) No. 1907/2006 and Regulation (EC) No. 1272/2008

6. Accidental Release Measures

Personal Precaution: Avoid any contact with hot fluid of wax.

Eye/Face/Body/Hands: Use proper protective equipment, especially when working with wax under melting process.

Spills/Leaks : Vacuum or sweep up material and place into a suitable disposal container. Avoid generating dusty conditions.

7. Handling and Storage

Handling : Use with adequate ventilation. Avoid contact with eyes, skin and clothing. Avoid ingestion and inhalation.

Storage : Keep from contact with oxidizing materials.

8. Exposure Controls/Personal Protection

Engineering Controls: use adequate ventilation to keep air bone concentration low.

Exposure Limits : Not Applicable

Chemical Name : Carnauba Wax

Personal Protective Equipment:

Eyes : Wear appropriate protective eyeglasses or chemical safety goggles.

Skin : Wear protective gloves to prevent skin exposure

Clothing : Wear appropriate protective clothing to minimize contact with skin

Respirators : Follow the OSHA respirator regulations found in 29CFR 1010.134. Always use a NIOSH approved respirator when necessary.

9. Physical and Chemical Properties:

Physical State : Solid

Odor : Sharp pleasant characteristic odor onto melting process

Vapor Pressure : Negligible

Vapor Density : Not Available

Viscosity : Not Available

Melting Point : 178° - 187° F

Molecular Formula: Not Available

Molecular Weight: Not Applicable

Specific Gravity (%): 99.5

10. Stability and Reactivity Data

Chemical Stability: Stable

Conditions to Avoid: Incompatible materials

Incompatibles with Other Materials: Strong oxidizers

Hazardous Decomposition Products: Carbon Dioxide, Carbon Monoxide

Hazardous Polymerization: Not reported

This safety data sheet complies with the requirements of:
Regulation (EC) No. 1907/2006 and Regulation (EC) No. 1272/2008

11. Toxicological Information

RTECS# : CAS #8015-86-9 – Not Listed

LD50/LC50 : Not Available

Carcinogenicity : Not listed by ACGIH, IARC, NIOSH, NTP or OSHA. No components are listed by ACGIH, IARC, NIOSH, NTP or OSHA.

12. Ecological Information:

Toxicity : Not reported, since CARNAUBA WAX is a genuine pure vegetable product.

13. Disposal Considerations

Dispose of in a manner consistent with Federal, State and local regulations.

14. Transport Information

Not reported, neither regulated as a hazardous material

15. Other Regulatory Information

Contact your national regulations officer

16. Other Information

The information above is believed to be accurate and represents the best information currently available to us. However, we make no warranty of merchantability or any other warranty, express or implied, with respect to such information, and we assume no liability resulting from its use. Users should make their own investigations to determine the suitability of the information for their particular purposes.

DISCLAIMER:

The information contained in the MSDS is believed to be correct as of its date of issuance. La Despensa del Jabón SC. does not make any express or implied warranty (including any warranty of merchantability or fitness for a particular purpose) regarding the MSDS, its accuracy or the product to which it relates. Anyone using this information agrees that La Despensa del Jabón SC. shall not be held liable (based on its negligence or otherwise) for any personal injury or other damage relating to, or arising from such use.
